

NACDL
FOURTH
AMENDMENT
CENTER

What is the Fourth Amendment Center? What does it do?

NACDL's Fourth Amendment Center is focused on digital surveillance and where technology and the criminal legal system intersect. It provides direct assistance and resources to defense lawyers handling cases involving new surveillance technologies that threaten American's constitutional rights.

How do I get in touch?

Email us or scan the code below. We provide resources, trainings, and direct litigation assistance. Don't hesitate to reach out!
