

CURRICULUM VITAE

Beata Krembuszewski, Ph.D.

drbeata@beboldpsychnc.com

EDUCATION

Sam Houston State University
Huntsville, TX

Doctor of Philosophy (Ph.D.): August 2024

Forensic Emphasis

Master of Arts: August 2020

GPA: 4.0/4.0

Thesis: Positive psychology as a protective factor for illicit opioid use in individuals receiving methadone treatment

Advisor: Craig E. Henderson, Ph.D.

Dissertation: Pay it forward: A cost-effectiveness analysis of the youth opioid recovery support (YORS) intervention for opioid use disorder

Advisor: Craig E. Henderson, Ph.D.

Tiffin University
Tiffin, Ohio

Bachelor of Criminal Justice: April 2017

Major: Forensic Psychology

Major: Corrections

Minor: Addictions Counseling

GPA: 4.0/4.0

Honors Project: The knowledge, perception and attitudes toward sex offenders

Advisor: Steven Hurwitz, Ph.D.

The Washington Center

January 2016 - May 2016

- This academic program included a semester-long internship in Washington, D.C.
- Worked as an undergraduate intern at Offender Aid and Restoration 4 days per week while attending a required course and participating in leadership workshops and career symposiums.

PROFESSIONAL LICENSES

Licensed Clinical Psychologist, Virginia (#0810008765)

January 2025 - Present

POSTDOCTORAL FELLOWSHIP

Federal Correctional Institution I (FCI-I) Butner: Butner, NC **August 2024 – Present**
Commitment and Treatment Program (CTP) Postdoctoral Fellow
Supervisor: Heather Ross, Ph.D.

- Conduct initial competency, responsibility for conduct, and treatment at a suitable facility for mental disease/defect evaluations for defendants
- Complete evaluations for civil commitment for sexual dangerousness under the Adam Walsh Child Protection and Safety Act
- Provide annual review evaluations to the court for individuals civilly committed as sexually dangerous persons
- Observe testimony and potentially provide testimony if requested by the Court
- Administer and score cognitive, personality, effort, risk, and competency-assessment measures as necessary (RBANS, MMPI-3, M-FAST, TOMM, VIP, ILK, Static-99R, ECST-R)
- Conduct collateral interviews with relevant parties and attorneys
- Participate in a forensic didactic series and weekly forensic consultation group

Population: Pre-trial or pre-sentence defendants or individuals undergoing evaluation or annual review for sexual dangerousness civil commitment. Diagnostic presentations include psychosis, mood-related disorders, substance-use disorders, neurocognitive impairment, developmental disorders, feigned mental illness, paraphilic disorders, and personality disorders.

PREDOCTORAL PSYCHOLOGY INTERNSHIP

Federal Medical Center (FMC) Devens: Devens, MA **Aug. 2023 – Aug. 2024**
Predoctoral Psychology Intern

Correctional Psychology Rotation (August 2023 – August 2024):
Supervisor: Kelly Fricker, Psy.D.

- Independently facilitate a CBT group focused on criminogenic thinking patterns
- Maintain a caseload of at least three therapy clients
- Conduct approximately two intake screenings per week
- Respond to crisis situations utilizing de-escalation techniques
- Perform daily clinical contacts for clients on suicide watch
- Supervise a practicum student and receive meta-supervision

Population: Culturally diverse incarcerated adults who request psychology services, are in acute distress or experiencing suicidal ideation, or require regular clinical contact with psychology.

Forensic Psychology Rotation (August 2023 – December 2023):

Supervisor: Miriam Kissin, Psy.D.

- Completed post-restoration competency evaluations and one commitment for serious mental illness and dangerousness evaluation
- Administered and scored cognitive, effort, and risk measures (WAIS-IV, RBANS Update, TOMM, HCR-20 V3, VRAG)
- Facilitated a weekly competency restoration group
- Attended and participated in multidisciplinary treatment team meetings
- Provided testimony through a mock trial exercise at the end of the rotation

Population: Individuals found incompetent to stand trial for federal offenses or who are evaluated for commitment due to serious mental illness and dangerousness. Diagnostic presentations include psychosis, substance use, mood-related disorders, neurocognitive impairment, and developmental disorders.

Serious Mental Illness/Drug Abuse Program Rotation (January 2023 – April 2024):

Supervisor: Janet Howson, Psy.D.

- Maintained a caseload of eight individuals requiring weekly contacts
- Conducted process, psychoeducational, and skills-based unit groups
- Completed psychosocial assessments for individuals in the drug abuse program
- Co-facilitated groups and maintain monthly contacts for those in the medication assisted treatment (MAT) program

Population: Incarcerated or civilly committed individuals with serious and persistent mental illness (SPMI), or individuals with various substance use disorders participating in drug abuse programming and treatment.

Residential Sex Offender Treatment Program (April 2023 – August 2024):

Supervisor: Ericka Rice-Aquino, Psy.D.

- Completed a comprehensive psychosexual evaluation and risk assessment
- Conducted intake assessments for the sex offense management program
- Co-facilitated sex-offense specific treatment groups targeting dynamic risk factors
- Maintained a caseload of individual clients in the SOTP-R
- Provided relevant data about treatment progress to civil review and parole boards
- Navigated Bureau of Prison institutional policies while providing culturally informed treatment, particularly to transgender individuals

Population: Individuals with sexual offenses participating in residential treatment to reduce dynamic risk factors for sexual offending. The treatment structure is a modified therapeutic community. Participants are culturally diverse, including gender and sexual minorities

CLINICAL EXPERIENCE

Harris County Psychiatric Center: Houston, TX

June 2022 – May 2023

Practicum Clinician

Supervisors: Alia Warner, Ph.D., ABPP, Elaheh Ashtari, Psy.D., & Matara Wright, Psy.D.

- Attended daily treatment team meetings to conceptualize cases, plan intervention strategies, and integrate findings from interdisciplinary professionals
- Conducted between two to four brief individual therapy sessions per day utilizing interventions from Cognitive-Behavior Therapy (CBT), Dialectical Behavior Therapy (DBT), Motivational Interviewing (MI), and Acceptance and Commitment Therapy (ACT)
- Completed psychodiagnostic and neuropsychological assessments, including administration of the RBANS Update, SCID, PAI, and PANSS
- Co-facilitated weekly CBT for psychosis (CBTp) groups for the Recovery Oriented Treatment Program (ROTP)
- Provided individual therapy to a client in the ROTP
- Conducted competency to stand trial re-evaluations after individuals were committed and completed competency restoration
- Conducted collateral interviews and administered testing (ILK, M-FAST) for competency re-evaluations

Population: Culturally diverse adults with SPMI, including psychotic, mood, severe personality, substance and alcohol use, anxiety, and trauma-related disorders. Individuals were voluntarily or involuntarily hospitalized for between 7 to 10 days. Those in the ROTP, which only includes people with a psychotic disorder, resided at the hospital for up to 90 days. For competency re-evaluations, individuals most often presented with serious mental illness, intellectual disability, or neurocognitive impairments, and were committed for competency restoration for misdemeanor or felony offenses.

TEAM Forensic Services, PLLC: Huntsville/Conroe, TX

Aug. 2021 – Aug. 2023

Sex Offender Treatment Program Group Co-Facilitator

Supervisor: Holly Miller, Ph.D., LSOTP

- Co-facilitated two manualized and evidence-based groups using a cognitive-behavioral relapse prevention model
- Provided feedback on group members' homework assignments
- Conducted individual therapy sessions using CBT for a group member requiring additional support to achieve treatment goals

Population: Ethnically diverse adult men and women convicted of sexual offenses and sentenced to probation, including required participation in treatment.

The Center for Clinical and Forensic Psychology: Bryan, TX
Practicum Clinician

August 2021 - May 2022

Supervisor: Jennifer L. Rockett, Ph.D. (licensed in Texas, New Mexico, and New York)

- Conducted court ordered or attorney requested forensic evaluations
- Administered and scored various assessment tools applicable to the referral question to assist in findings:
 - Personality: MMPI-2-RF, MMPI-3, PAI, 16-PF, PCL-R
 - Cognitive: WAIS-IV, RIAS-2
 - Symptom Validity/Effort: ILK, TOMI, M-FAST, SIRS-2
 - Risk Assessments: SVR-20 V2, Static-99R
 - Competency Assessment: CAST*MR
- Submitted clear and concise integrated reports with diagnoses and psycholegal opinions to attorneys or courts

Evaluations: Competency to Stand Trial (Federal, Texas, and New Mexico)
Fitness to Proceed and Responsibility for Conduct (Juveniles, Texas)
Mental State at the Time of the Offense (Federal, Texas)
Risk and Mitigation Evaluation (Federal, Texas)
Sex Offense Risk Assessment and Mitigation (Federal, Texas)
Sexually Violent Person Evaluation (Texas)
Licensee Psychological and Emotional Health Declaration for Law Enforcement (L-3; Texas)

Population: Adults and juveniles from culturally diverse backgrounds involved in the justice system either awaiting trial or a sentence. Offenses included felonies and misdemeanors.

Walker County Community Supervision: Huntsville, TX
Practicum Clinician

Aug. 2020 – Aug. 2021

Supervisor: Darryl Johnson, Ph.D.

- Administered cognitive, achievement, and personality assessments (WASI-II, WRAT5, MMPI-2-RF, MMPI-3, BASC-3) for court-ordered psychological and substance use evaluations to determine appropriate treatment needs.
- Provided individual therapy to include mandated substance use counseling and anger management treatment
- Utilized and incorporated a variety of therapeutic modalities: CBT, DBT, ACT, and MI, and manualized treatments: Mastery of Anxiety and Panic, the Unified Protocol for Transdiagnostic Treatment of Emotional Disorders, Cognitive Processing Therapy (CPT), Assert Yourself, and Complicated Grief Treatment

Population: Culturally diverse adults and juveniles sentenced to probation for misdemeanor or felony offenses. Individuals presented with anxiety, mood, substance/alcohol use, personality, or trauma-related disorders, and were either mandated to treatment or requested therapy.

Psychological Services Center: Huntsville, TX

Aug. 2019 – Aug. 2023

Student Clinician

Clinical Supervisors: David Nelson, Ph.D., ABPP, Jorge Varela, Ph.D., Laura Drislane, Ph.D., Tiffany Russell, Ph.D.

Forensic Supervisors: Mary Alice Conroy, Ph.D., ABPP, Darryl Johnson, Ph.D., Wendy Elliott, Ph.D., ABPP, Samantha Kurus, Ph.D.

- Provided individual therapy utilizing CBT and DBT frameworks
- Conducted comprehensive assessment services, including psychodiagnostic, ADHD, and learning disability evaluations utilizing various measures:
 - Personality: MMPI-2, MMPI-2-RF, MMPI-3, MMPI-A, M-PACI, BASC-3
 - Cognitive: WAIS-IV, WISC-V, WASI-II, D-KEFS
 - Achievement: WIAT-III, WIAT-4, WJ-IV-Achievement, WRAT5
- Completed competency, sanity, competency for execution, mitigation, fitness to proceed, and responsibility for conduct evaluations under supervision

Population: Culturally diverse adults and adolescents from the community, often with low socioeconomic backgrounds requiring cost-effective services.

Family Guidance Center, Inc: Chicago, IL

May 2017 – Jan. 2018

Acute Detox Counselor

- Administered psychosocial assessments and finalized aftercare requirements to enroll individuals into outpatient treatment
- Determined the level of aftercare an individual would need for treatment
- Coordinated with insurance companies to provide transportation for treatment
- Co-facilitated weekly substance use groups

Population: Culturally diverse adults with opioid use disorder or alcohol use disorder who qualified for Medicaid and were receiving inpatient detoxification treatment.

SUPERVISION EXPERIENCE

Federal Correctional Institution I (FCI-I) Butner: Butner, NC

Aug. 2024 - Present

Forensic Group Supervisor

Supervisor: Gillespie Wadsworth, Psy.D.

- Provide weekly group supervision to interns conducting forensic evaluations
- Facilitate discussions regarding ethical or legal issues present in evaluations
- Provide professional development guidance to interns

Federal Medical Center (FMC) Devens: Devens, MA

Oct. 2023 – Jan. 2024

Intern Supervisor

Supervisor: Kelly Fricker, Psy.D.

- Provided weekly individual supervision to a practicum student
- Obtained meta-supervision from a licensed psychologist
- Directly supervised the practicum student in competency restoration groups

Harris County Psychiatric Center: Houston, TX

June 2022 – May 2023

Peer Supervisor

Supervisors: Alia Warner, Ph.D., ABPP, Elaheh Ashtari, Psy.D., & Matara Wright, Psy.D.

- Assisted in the training and supervision of new practicum student clinicians, predoctoral psychology interns, social workers, and psychiatry residents in an interdisciplinary setting
- Consulted with social workers regarding competency restoration group objectives
- Observed brief interventions and provided meaningful feedback regarding therapeutic techniques

Capstone Practicum Class: Huntsville, TX

Aug. 2021 - March 2022

Individual Peer Supervisor

Supervisor: Craig Henderson, Ph.D.

- Served as a peer supervisor for an individual clinician conducting therapy sessions
- Provided initial feedback on the clinician's intake assessment and treatment plan
- Assisted the clinician in identifying the appropriate intervention techniques based on the presenting problem

Introduction to Practicum Class: Huntsville, TX

Summers of 2020-2022

Individual Peer Supervisor/Mock Therapy Client

Supervisor: Mary Alice Conroy, Ph.D., ABPP

- Supervised a beginning practicum clinician in their use of therapeutic techniques during mock sessions
- Reviewed video footage of therapy sessions and delivered constructive feedback
- Participated in mock therapy sessions and provided feedback for beginning practicum students

Theory of Psychotherapy Class: Huntsville, TX

Jan. 2020 – May 2020

Individual Peer Supervisor

Professor: Craig Henderson, Ph.D.

- Supervised students in conducting brief therapy sessions utilizing different theoretical modalities

- Offered post session feedback and discussed applications of different modalities to treatment with the students

OTHER PROFESSIONAL AND LEADERSHIP EXPERIENCE

ABCT Convention Arrangements Committee: New York, NY **June 2022 – Nov. 2022**
Student Committee Member

- Compiled a list of attractions in New York City for the 2022 Association of Behavioral and Cognitive Therapies (ABCT) Annual Convention, including diverse cultural experiences and options for those with dietary restrictions
- Composed a narrative summary of the local arrangements published prior to the conference

Texas Psychological Association: Huntsville, TX **Sept. 2020 – May 2022**
Student Administrator

- Maintained a record of completed professional development certificates
- Constructed a monthly survey to track member attendance and submitted the appropriate paperwork to ensure compliance with board requirements

Graduate Student Psychology Organization: Huntsville, TX **Aug. 2020 – Aug. 2021**
President

- Elected president and initiated organization of all events for the year, including social events, fundraisers, and panel discussions
- Facilitated the transition of social events to video teleconferencing to abide by restrictions from the COVID-19 pandemic
- Maintained student engagement in activities despite social distancing requirements

Graduate Student Psychology Organization: Huntsville, TX **Aug. 2019 – Aug. 2020**
Secretary

- Kept detailed minutes after each meeting and assisted in the planning of events each semester
- Coordinated with other members to conduct fundraisers
- Volunteered to complete additional tasks for the organization

Sam Houston Area Psychological Association: Conroe, TX **Aug. 2019 – May 2020**
Student Extern

- Completed administrative tasks for a local psychological association
- Organized refreshments provided at meetings and facilitated the payment of dues
- Attended monthly presentations qualifying as continuing education (CE) credits

Heartland Alliance: Chicago, IL
Residential Treatment Resource Pool-Part Time

Jan. 2018 – Aug. 2018

- Monitored medications administered to individuals at the facility and communicated medication records with the appropriate staff members
- Assisted individuals with developing basic life skills, such as cleaning, laundry, or budgeting
- Performed wellness checks in accordance with the harm reduction model

Population: Culturally diverse adults with physical or mental disabilities, including SPMI and/or substance use, in a low-cost residential treatment facility.

Family Guidance Center, Inc: Chicago, IL
Intake Manager/STR Logistics

Jan. 2018 – Aug. 2018

- Performed initial phone screenings and facilitated the scheduling of intake appointments with clinic staff
- Managed data collection, entry, and logistics, and compiled monthly reports for the State Targeted Response (STR) to the Opioid Crisis Grant
- Utilized assessment data to register clients involved in mental health services

Population: Adults diagnosed with opioid use disorder who were from culturally diverse backgrounds, qualify for Medicaid, and are seeking admission to outpatient methadone or mental health treatment

Offender Aid and Restoration: Arlington, VA
Community Service Intern

Jan. 2016 - May 2016

- Managed a caseload of 60 clients as they completed their community service
- Completed an initial intake session with a client and maintained contact with them to ensure the completion of their hours
- Communicated progress with the court, attorneys, and probation officers

Population: Adults and juveniles sentenced to probation and required to complete community service hours.

Cook County Sheriff's Department: Chicago, IL
Sheriff's Department Intern

June 2015 - August 2015

- Compiled research about eviction policies for the Cook County Sheriff
- Supervised inmates and film crews working within the Cook County Jail
- Assisted in police investigations by monitoring inmate phone calls from the jail
- Composed a crime analysis of residential burglaries in Cook County

RESEARCH EXPERIENCE

Health & Human Behaviors Lab: Huntsville, TX
Graduate Research Assistant

Aug. 2018 – Aug. 2023

- Assisted in data collection for several university-wide research projects
- Trained undergraduate research assistants in research protocols to independently manage data collection for participants
- Provided support during the developmental phase of projects, including discussing the logistics of data collection, completing IRB applications and modifications, and trouble-shooting technological issues or limitations

Projects: Focus Group Study of Students' Reactions and Resilience Toward Experiences of Racism
Project T.R.E.A.D. (Tracking Real-Time Exercise and Drinking)
Daily Variation in Spiritual Experiences and Relation with Life Satisfaction Among Emerging Adults
Smartphones and Health Behaviors
Collaborative Data Collection Project on College Student Health Behaviors

TEACHING EXPERIENCE

Sam Houston State University: Huntsville, TX
Capstone Practicum Course Teaching Assistant
Professor: Tiffany Russell, Ph.D.

Aug. 2022 – May 2023

- Modeled in-person therapy sessions for beginning clinicians
- Participated in group supervision

- Provided feedback on written assignments and therapy/assessment case presentations
- Supervised assessment check-outs (WAIS-IV and WIAT-4) to ensure students accurately administer cognitive and achievement testing

Sam Houston State University: Huntsville, TX

August 2021 - May 2022

Instructor – Abnormal Psychology Online

Fall Semester: Student Rating 4.3/5.0

Spring Semester: Student Rating 4.7/5.0

- Independently instructed an online undergraduate course consisting of 40 students
- Created an engaging course to facilitate students’ comprehension of the material
- Coordinated course requirements with other instructors to ensure uniformity of material and provided meaningful feedback to each student after every assignment

Law Enforcement Bias Training: Conroe, TX

June 2021

Presenter

Supervisor: Darryl Johnson, Ph.D.

- Organized a training designed to increase law enforcement officers’ awareness about bias and taught strategies to reduce the negative effects of bias

Sam Houston State University: Huntsville, TX

April 2020

Guest Lecturer – Honors Dialogues Seminar on Drugs

Professor: Craig Henderson, Ph.D.

Topic: Interventions for Opioid Use Disorder

Sam Houston State University: Huntsville, TX

August 2019 - May 2020

Instructor – Introduction to Psychology

Fall Semester: Student Rating 4.5/5.0

Spring Semester: *Ratings were not conducted due to COVID-19*

- Independently instructed an undergraduate course consisting of 80 students
- Created lectures and exams pertaining to modern and historical issues in psychology
- Facilitated student engagement and understanding of the materials presented

Murphy Academic Center: Tiffin, OH

Aug. 2015 - April 2017

Student Tutor

- Tutored students in mathematics, grammar, ESL, and statistics
- Provided students with effective study strategies, time management skills, and problem-solving techniques
- Altered teaching strategies to fit students’ needs

RELEVANT COURSEWORK

Group Psychotherapy

June 2022 – Aug. 2022

Professor: Holly Miller, Ph.D., LSOTP

Neuropsychology

June 2020 – Aug. 2020

Professor: David Nelson, Ph.D., ABPP

Assessments: American National Adult Reading Test (AMNART)
Orientation Log and Cognitive Log (O-Log and Cog-Log)
Benton Visual Form Discrimination Test (BVFD)
Benton Judgment of Line Orientation Test (JLO)
Rey-Osterrieth Complex Figure Test (ROCFT)
Hooper Visual Organization Test (HVOT)
Multilingual Aphasia Exam (MAE) – Sentence Repetition, Controlled Oral Word Association (COWA)
Boston Naming Test (BNT)
Wechsler Memory Scale-IV (WMS-IV)
California Verbal Learning Test – Third Edition (CVLT – 3)
Selective Reminding Procedure (Buschke SRT)
Stroop Test
Symbol Digit Modalities Test (SDMT)

Forensic Assessment I & II

Aug. 2019 – May 2020

Professor: Mary Alice Conroy, Ph.D., ABPP

COMMUNITY SERVICE INVOLVEMENT

CASA of Walker County: Huntsville, TX

Feb. 2019 – Aug. 2021

CASA Volunteer/Guardian Ad Litem

Voted Advocate of the Month – October 2020

- Legally appointed guardian ad litem for a total of three children in foster care
- Served in this role until the successful adoption of the children or reunification of families
- Maintained frequent contact with the children, caregivers, parents, and other individuals involved
- Advocated for the best interests of the child and managed conflict among different parties
- Prepared written progress reports for the court

Howard Brown Health Center: Chicago, IL
Volunteer

July 2017 - August 2018

- Howard Brown is a facility providing comprehensive physical and mental health care for the LGBTQ+ community
- Participated in multiple events throughout the year and assisted in calling patients to enroll them in health insurance

Love 146: Tiffin, OH
Student Representative

Nov. 2015 - Jan. 2017

- Organized a human trafficking awareness event
- Coordinated with two members of the FBI's human trafficking task force to present their roles and responsibilities
- Facilitated the event and partnered with another organization to raise funds for human trafficking survivors

American Red Cross: Tiffin, OH
Student Representative

April 2014 - April 2017

- Served as the student correspondent and coordinator for the four Blood Drives held at Tiffin University each year
- Assisted in planning the blood drives, registering students to donate, and monitoring the drive

Autism Awareness: Tiffin, OH
Student Representative

April 2014 - April 2017

- Organized a dinner to fundraise for autism awareness each year
- All proceeds were donated to a local treatment facility for children and young adults with autism

AWARDS AND HONORS

Grand Champion: Three Minute Thesis Competition Scholarship Winner (\$1,000)
April 2021

Sam Houston State University Graduate School General Scholarship Recipient (\$1,000)
August 2018; August 2019; May 2021

Sam Houston State University Office of Graduate Studies Travel Fund Recipient
August 2019; October 2019; March 2022; March 2023

Tiffin University's F.H. "Cap" Wilkinson Award for Highest Academic Achieving Criminal Justice Student
April 2017

OCCJE's Top Achieving Criminal Justice Student in the State of Ohio
April 2017

Tiffin University's Provost Award for the Highest Academic Achieving Student at Graduation
April 2017

Tiffin University Undergraduate Student Research Travel Award
September 2016; April 2017

Tiffin University's Dean's List
2013 – 2017

Tiffin University Dragon Leadership Scholarship (\$10,500 per year) for Outstanding Leadership
2013 – 2017

Tiffin University Honors Program
2013 – 2014
