## **Professional Experience**

---

**Lepage Associates Solution-Based Psychological  
and Psychiatric Services – Durham, NC**

September 2015 – Present

*Licensed Psychologist (Clinical & Forensic Psychologist) & Director of Clinical Services*

- Provide therapy to all ages: children, adolescents and adults. Therapy formats include individual therapy, family therapy, reunification therapy, and marriage therapy. Also provide parent coaching for child behavioral problems and for childhood anxiety.
- Provide monthly, individual supervision of Applied Behavior Analysis (ABA) for BCBA's (Board Certified Behavior Analysts) at a local ABA center. (Applied Behavior Analysis is the process of analyzing behavior to put in place appropriate behavioral interventions for children with behavior problems.)
- Conduct psychological, educational, developmental and forensic evaluations of children including Attention-Deficit/Hyperactivity Disorder (ADHD) evaluations, autism spectrum disorder evaluations, behavioral assessments, and psychological evaluations for family court.
- Conduct psychological, cognitive, educational, substance abuse, and forensic evaluations of adults including fitness-for-duty, return-to-work, disability, independent medical (IMEs), parental capacity, and custody evaluations.
- Conduct comprehensive psychological evaluations of adults and juveniles held in detention.
- Provide forensic consultation to attorneys in juvenile cases involving sexual abuse.
- Provide expert witness for military court martial cases regarding psychological evaluations and autism spectrum disorder.
- Conduct Independent Educational Evaluations (IEE) for attorneys involving child cognitive emotional assessment, collateral reviews, and extensive record review as well as participate in school Individualized Education Program (IEP) meetings.
- Testify as expert witness for civil, criminal, and family court cases, as well as administrative law cases.
- Conduct career assessments and provide leadership and career coaching.
- Lead social skills development groups for young children.

**Xecutive Metrix – Cincinnati, OH**

July 2014 – June 2015

*Associate Consultant in Organization Development*

- Debriefed Leadership and 360 Evaluations with supervisors, managers and executives.
- Facilitated Leadership and Manager Development workshops focusing on feedback skills, conflict management, developing high-performing teams and performance management.
- Provided individual coaching to supervisors, managers and executives.
- Assisted with strategic planning events in which clients set three-year business milestones, targets and initiatives.

**Temple University Clinical Psychology Internship Consortium  
APA Accredited – Cincinnati, OH**

July 2013 – June 2014

*Psychology Pre-Doctoral Intern*

Temple Eating Disorders

- Provided individual therapy using Family Based Treatment and Radically-Open Dialectical Behavior Therapy as part of a research study evaluating the efficacy of those treatments.
- Conducted clinical and neuropsychological assessments for research studies investigating reward neurocircuitry in eating disorders.
- Meta-analysis evaluating fMRI studies utilizing food consumption and taste protocols.

Temple University Hospital Department of Psychiatry and Behavioral Science

- Provided outpatient individual therapy for adults.

Lindsey Ohler, Psy.D.

Page 2 of 13

**Veterans' Health Administration National Center for  
Organization Development – Cincinnati, OH**

July 2012 – May 2013

*Psychology Doctoral Practicum Student*

- Developed qualitative coding themes from text comments submitted in a national survey.
- Analyzed workplace assessments to determine the relationships between staffing, workload and teamwork on clinical nursing units.
- Analyzed the results of surveys completed by various services in the Veterans Health Administration, Veterans Benefit Administration and National Cemetery Administration.

**Youth Center, Hamilton County Juvenile Court  
System – Cincinnati, OH**

June 2012 – June 2013

*Psychology Doctoral Practicum Student*

- Administered tests of cognitive, behavioral and personality functioning for psychological/psychoeducational, competency-to-stand-trial, bind-over and dispositional evaluations of juvenile offenders.
- Provided competency attainment interventions for adolescents held in juvenile detention.
- Consulted with leadership from the juvenile court probation department to develop a database for tracking juvenile recidivism.
- Analyzed multiple sources of data (recidivism rate, post-detention facility placement) to track successful juvenile mental health placements (e.g., residential facilities).

**Forensic & Mental Health Services, Inc. – Cincinnati, OH**

January 2012 – October 2012

*Statistics Consultant*

- Consulted with leadership to develop a program evaluation of the Butler County Adult Probation Services.
- Created surveys that were completed by probation officers, administrators and probationers that assessed the importance and need for referral services and probation rules.
- Analyzed multiple sources of data (recidivism rates, successful performance of probation officers, etc.) to determine strengths, weaknesses and areas for improvement within Butler County Adult Probation.

**Psychological Services Center, Xavier University – Cincinnati, OH**

June 2011 – May 2012

*Psychology Doctoral Practicum Student*

- Received extensive training in Dialectical Behavior Therapy and served as a co-leader for Dialectical Behavior Therapy Skills Training.
- Provided individual therapy for community members as well as undergraduate and graduate students.
- Provided group and individual substance abuse interventions for undergraduate students.
- Provided first response to survivors of sexual assault, dating violence, sexual harassment and stalking by methods of phone consultation, hospital accompaniment and in-person contact.

**The Kelly O'Leary Center for Autism Spectrum Disorders,  
Cincinnati Children's Hospital Medical Center – Cincinnati, OH**

August 2010 – June 2011

*Psychology Doctoral Practicum Student*

- Provided milieu therapy utilizing Applied Behavior Analysis (ABA) for young children diagnosed with autism in an Early Intensive Behavioral Intervention Classroom.
- Conducted clinical interviews with parents whose children were referred for an evaluation for possible autism spectrum disorder.
- Administered tests of cognitive, social, behavioral and adaptive functioning with children and their families following the Autism Treatment Network assessment battery.

**NorthKey Community Care – Covington, KY**

August 2009 – August 2010

*Psychology Doctoral Practicum Student*

- Conducted diagnostic interviews and assessments of children and adolescents hospitalized on a short-term inpatient unit.
- Administered tests of cognitive, social and personality functioning and wrote abbreviated reports that facilitated treatment recommendations.
- Consulted with hospital staff including social workers, nurses, and support staff.
